For over 60 years, Acme Textiles has been manufacturing premium hospitality textiles for hotels, resorts, hospitals, commercial laundries, cruise lines, and hospitality suppliers around the world. Today, our products are trusted by over 10,000 hotels and resorts worldwide, helping hospitality businesses deliver exceptional guest experiences while reducing procurement costs.

As a vertically integrated manufacturer, we manage every stage of production under one roof, including weaving, dyeing, stitching, finishing, quality control, and packaging. This allows us to deliver consistent quality, competitive factory-direct pricing, and dependable lead times.

We eliminate unnecessary intermediaries and create a more efficient supply chain. This approach enables our customers to benefit from direct factory pricing, direct communication, consistent quality, and a reliable long-term supply.

Acme provides a complete range of bedding, bath, pool, spa, and hospitality accessories, enabling customers to source all linen requirements from a single vendor. Our four US distribution centers in Tennessee, Nevada, Texas and Florida support faster replenishment, smaller order quantities, and improved supply chain flexibility.
